

HUTCHINSON TRAYLOR

insurance • benefits • consulting

We're excited to announce that TLC Benefit Solutions, Inc. has partnered with Hutchinson Traylor to offer employees an alternative to COBRA to continue health coverage. Whether you are leaving the company or starting retirement and Medicare, Lisa Sapp with Hutchinson Traylor is available to assist you to determine your options for health coverage and subsidy eligibility, based on your income level.

Who is Hutchinson Traylor? A dedicated group of professionals who strive to optimize the financial well-being of the clients and communities they serve. Their roots date back over 100 years and share these core values:

- **Long-term Relationships** - They value creating and continuing relationships based upon mutually beneficial partnerships, not sales transactions.
- **Caring Professionalism** - They value people with the highest levels of integrity, resourcefulness and expertise who have a heart for educating their clients and advocating on their behalf.
- **Independence** - They value freedom and choice in the pursuit to proactively serving and protecting their clients' best interests.

Who is Lisa Sapp? She has been with Hutchinson Traylor for 20 years. She received a B.A. in Communications and Behavioral Science from the University of Central Florida in 1995. While finishing her last years in college she began working at Florida Farm Bureau in 1993. Lisa a native Floridian, moved to LaGrange in 1996 and began her career with Hutchinson Traylor. Over the years Lisa has obtained her licenses in Life & Health and Property & Casualty insurance. She has also earned the Certified Insurance Counselor (CIC) and Association in Insurance Production (AIP) designations.

Lisa may be reached at 706-298-2586 or lisa.sapp@hutchinsontraylor.com if you have questions regarding health insurance options or you may contact TLC Benefit Solutions, Inc. at 229-249-0940 should you have any questions regarding COBRA .
